

M18 FHS20 | M18 FUEL™ HATCHET™ Pruning Saw 200 MM (8")

- POWERSTATE™ Brushless Motor: Delivers more power under load and longer motor life
- REDLINK PLUS™ Intelligence: Provides optimized performance and overload protection using total system communication between tool, battery and charger
- Optimized design delivers increased maneuverability and control in tight access applications
- Compact, lightweight design weighs 2.2 kg without a battery
- Maintains speed under heavy load
- Lanyard hang loop provided as tie off point for aerial applications
- Climbing scabbard optimized for climbing application
- Variable speed trigger delivers full control over power curve range
- Easy access chain tensioner for quick adjustments to cutting system
